

Oakland Heritage Festival Silent Auction

The 14th Annual Oakland Heritage Festival will be held this year on Saturday, October 29 from 10:00 a.m. to 4:00 p.m. The festival is an important fundraiser for the Oakland Nature Preserve and is sponsored in partnership with the Town of Oakland. ONP has been acquired, developed, and continues to be operated by dedicated hard working volunteers who have made the 128-acre Preserve a valuable asset to West Orange County. We ask you to support these efforts by donating to the Silent Auction. The festival offers a day of 'good old' family fun in a rustic setting at Speer Park in Oakland. It has been well attended the past 13 years and we expect an even larger crowd this year. Some of the scheduled events are:

- Guided Eco-tours on Lake Apopka
- Hay Rides and Children's Activities
- Live Music Entertainment
- Silent Auction
- Great Food
- Vendors of Arts, Crafts, Plants
- Children's Art Show
- Guided Historic Tour Through Oakland

The Silent Auction is one of the most popular activities of the event and a primary fundraiser. All proceeds from the auction will go toward the Preserve's operating expenses. Any item, gift certificate, basket or product that your business will be willing to donate will be greatly appreciated. Donated items can be mailed to P.O. Box 841 Oakland, Florida 34760 or we will gladly pick up your donation at your location. To make arrangements for picking up your donation or for additional information please call Mona Phipps at (407) 905-0054 or email Director@OaklandNaturePreserve.org.

Thank you in advance for your generous support of the Oakland Heritage Festival and the Nature Preserve. Please remember ONP is a 501 (c) 3 non-profit organization and your contribution is tax deductible.
